3. The percentages of total prepaid calling card service revenue (excluding revenue from prepaid calling cards sold by, to, or pursuant to contract with the Department of Defense (DoD) or a DoD entity) attributable to interstate and international calls for the first quarter of 2007 are 1.11516% (interstate) and 98.81980% (international). Cinco is making the required Universal Service Fund contribution on these revenues.
